Dear Youth, Families, Partners & Community Members,

The health of our youth and staff is of utmost importance to us. In alignment with the government's preventative measure to reduce the spread of COVID-19 and taking the lead from the Hastings and Prince Edward District School Board, we have decided to close the Youth Centre March 16 – April 6 inclusively.

All ROC staff will be working remotely during this time, and partner & community meetings will proceed virtually or postponed until after April 6 when we hope to have a better understanding of the impact of COVID-19 on our community.

We understand the impact this has on the youth we serve and will continue to be available through Email, Facebook and Instagram.
